Most Respected Sir,

I, the undersigned, the manager of the Sree Lakshmi Narayana Swami Temple, at Ham -pur, Yedatore Taluq, most humbly beg to bre -me the following few lines to your honors kind conse deration

The above temple had been long in a di- -lapidated condition with no worship to the God With a view to remove this sad state of the temple and bring it to good condition, the Villagers requa the government to undertake to meet half the co necessary for its complete repair restoration to good condition, which the Government promis to do.

Awaiting long the fulfillment of the promi we, however, began the work of repair, in ant -cipation, as we also had to pay half the -mated cost and spent about 2000 Rs in rest a portion of the temple, the God's Vimana & K

Some time after the Government inform in reply to our request that if we prepare estimate & deposited half the estimated am then they would supervise the work till its But as a portion of the work was done within calculate Municipal dis-

upon the deposit of half the cost in cash.
consequence of this correspondence & also
non the works of repair came to a stand.
such being the case, my uncle Srinivasa
gar, being of opinion that the Swamis worship
ld not be postponed, sine die, made over all
property in favour of the God, caused the c
thari (5000) to be brought from Melkote and
re-established the God with the proper cer-
rials. Since then his daily worship &c is
regularly carried on out of that endowment.
Nearly 5 or 6 years back I got constructed a
ofthara mantapa, in the northern side of a
ngth of 13 ankanam and with a cost of 3000 Rs.
At present, the Pākasāle, Yāgasāle, & the outer
ateway, being tile-roofed, are in a very bad condi-
tion. Last November On your honor's way back
ance from Salipram, I requested your honor to have
a view of the state of the temple & to furnish help
- the furtherance of God's work. Though, at that time,
unfortunately, it had been 4 or 5 days since my uncle
- died, your honor had the goodness to come & see
the temple & on its thorough inspection to order a
written of a plan & an estimate of the repair
be made yet Accordingly I have herein en-
closed them
As it has come to 5000 Rs nearly in what we have
ge to this or it would be highly beyond our powers
our ryots; we are to pay half the cost even now.
I humbly request, on behalf of the Villagers, to
your honor that, if the Government once for
completely restore the Temple, of themselves, their
any annual & other repairs being made, the
will be kept in good condition.
this act of benignity we shall be highly e-
ful to your honor. Hoping an early & favourable

Yours obedient & humble
